

LED Medium Profile 207

The P207 is a **medium-sized** LED Channel compatible with **LED Strips up-to 20mm (0.79") wide**. It's designed for higher output lighting applications compared to 701ASL with its ticker heatsink design. This profile offers a uniform lighting with Opal Diffuser eliminating the hotspots. Thanks to its **mounting channel**, it features a **wide range of installation options**.
